

A close-up photograph of a plate of stir-fried wide noodles. The noodles are a light brown color, likely from a soy-based sauce. They are topped with a variety of fresh vegetables: sliced green onions, red and yellow bell peppers, and bean sprouts. There are also pieces of browned meat, possibly chicken or pork, and scrambled yellow eggs mixed throughout the dish. The plate is white and has a subtle floral pattern. The background is dark and out of focus.
